SENTENCING MINUTES

✖ Sentencing called / held	✖	Objections (PSR) by <u>Def</u> - Overruled
✖ Court adopts PSR in its entirety		Defendant's motion for Variance - Granted
✖ Court DEPARTS from the guidelines		Government's Motion for 5K1.1 GRANTED

The Court grants defendant's motion for a variance, based on a pending amendment to the sentencing guidelines which would, if enacted, reduce the base offense level by two levels, based on the drug amount. The defendant agreed he would NOT file a subsequent motion for a sentence modification under 18 USC 3582(c), should the amendment be enacted. The Court, therefore, considers a sentence within the range applicable to Level 27, which is 87 months to 108 months imprisonment.

Defendant's motion for additional departure due to substantial assistance - Denied.
